## LETTER OF ADMISSION

Dear Amit Testing,  
Congratulations! On behalf of President and the entire community of Nubian American Advanced College community (NAAC), I am delighted to inform you that the College's committee on admission has admitted you to NAAC for Sem 1, in the Computer Science.

### CONDITIONS AND REQUIREMENTS.

aadadasdas

NAAC is a US model community college with US university partners. If you have completed college level credit courses by proficiency exam, dual-enrollment or any other programs, you must provide transcripts from each institution prior to registration for those credits to be reviewed for transferability. Meanwhile, please continue to check your email for any information regarding your NAAC Email address, and instructions on how to activate your BOIMA Online Learning platform account. We look forward to answering any questions regarding your academic pathway and welcoming you to the NAAC community.

With warm regards,

Mrs. Ogechi Felicia Ibegbu
