LETTER OF ADMISSION

Dear Amit Kadivar,
Congratulations! On behalf of President Joseph T. Isaac and the entire Nubian American Advanced College community, I am delighted to inform you that the College's committee on admission has admitted you to NAAC for Second Semester 2024, in the School of Master of Forensic Accounting. This admission is based on successful completion of the following requirements:

1. Make payment of the College's application fee
2. Submit all required documents
3. Take and pass the College's placement exam (if required)

If you have completed college level credit courses by proficiency exam, dual-enrollment or any other programs, you must provide transcripts prior to registration when those transfer credits have been recorded for you. Meanwhile, please continue to check your email for information regarding your student ID number, NAAC Email address and temporary password, instructions to create your BOIMA SIS account, orientation, registration, housing, and other student services.

We look forward to answering any questions regarding your academic pathway and welcoming you to the NAAC community.

With warm regards,

Mrs. Ogechi Ibegbu
